Dear Mr. [REDACTED]

STATINTL

STATINTL

Confirming our telephone conversation of February 4, [REDACTED] and myself are planning to be at your location in Santa Rosa about 10:00 a.m. Monday, February 15. We would like to discuss the following points:

1. Establishing a common understanding of the exact parameters of importance to us that the proposed coating should possess.
2. Discuss industry's present capability to meet our requirements.
3. Discuss your proposed approach for obtaining a solution.
4. Discuss established performance levels which might be expected of your proposed solution.
5. Discuss schedule and cost of (a) developing and (b) manufacturing your proposed coating.
6. Obtain a better understanding of your facility and capabilities.

STATINTL

We trust that [REDACTED] will be available for these discussions.

Very truly yours

STATINTL
